(OBS-367483):

Para 1 : of intended benefit to the students due to non disbursement of scholarship worth Rs. 2.89 lakh

Punjab Government as well as Govt. of India provides financial assistance to the needy and SC students of the weaker section of the society to uplift their socio-economic status, so that they may improve their skills and education for employment. For the same purpose, Government sanctions scholarship to the eligible students.

During test check of records, it was noticed that an amount of Rs.289558/- on account of Post Matric Scholarship Scheme for SC students as detailed below was not disbursed to the eligible students so far.

Sr. No.	Period	Name of Scheme	Fund received	Disbursed	Balance	
1.	2014-15	Post Matric Scholarship Scheme for SC students	356186 289558 645744	+ = 	356186 289558 645744	289558 /

Non-disbursement of the same had deprived them from their intended benefit. Therefore, the same may be justified to audit.

On being pointed out by Audit, the Department replied that the scholarship will be disbursed as soon as the list of students is received; otherwise the same amount will be refunded to the funding agency. Since the amount has not been disbursed due to non receipt of list of SC students. As such, the amount needs to be returned by the college to the funding agency instead of keeping the amount ^{with} itself as the new rules provides that amount will be deposited directly by the department of Welfare to the accounts of the beneficiaries. Final compliance is awaited.

(OBS-367262):

Para 02 Non-preparation of Annual Financial Statement for the year 2021-22

Under the instructions of the Punjab Govt., the institutions receiving Grant-in-aid are required to prepare the Income and Expenditure Account, Receipt & Payment Account alongwith Balance Sheet for all the financial transactions occurring during the financial year and get the same audited by the Chartered Accountant before submitting the same to the Accountant General's Office.
