Agenda: Counsel the students regarding their job aspects.

Proceeding:
 Career Planning and Career Guidance for College students is an important measure to achieve integrated development. For this purpose Our Career Guidance and Counselling Cell counsels the students.

- A small interaction has done with students regarding their future and career planning. Students told their interests and plannings. Students are suggested to make a plan to bright and success their future.

For this students have counselled by the incharge of Career Counselling and Guidance Cell Dr. Pooja Singh. She told the students that if they want to become success in future they should exposure themselves as self exploration is the main key which contains one's skills, values, experience, interests and education. Students have also encouraged to become a good decision maker as decision making skills portrays one's ability to think objectively and related concepts to the goals which they are trying to reach. and it helps to make a quick decision which can help establish a strong bond with employees and culture.
