1. Description

The college has facility for water conservation and proper utilization of the water facility in the college campus. The college always emphasizes to follow the guidelines of how to maximize utilization of the water storage/bore well facilities. There are 5 bore wells (3 indifferent grounds for the utilization to maintain the greenery in the college campus and 2 in swimming pool). The swimming pool water is not wasted and also utilized for the 'BabuNanak Chand Park'. The College is having water storage tanks having 38000 Litres capacity and 5000 liters water on the top of the roof for drinking facility. These water tanks and bore wells are properly maintained and checked frequently by the plumber. The college also has the facility which was provided by the irrigation department once in a week to utilize the canal water in the college premises.
