1. Description

Apart from the different governmental scholarships schemes, the college also provides the scholarship/concessions in the different categories for the students who take in the admission in our college. The college Fee Concession committee after the completion of the admission, circulates the notice regarding the scholarship schemes and advise to submit their applications within the stipulated time in the college office. After the last date, the committee holds the meeting personally taking interview of the applicants to identify whether their cases are genuine or not. After the verification, committee discusses and prepares the provisional list of the beneficiaries and then finalizes the list after discussing the list with the Principal. Meritorious students are given concession on fee depending upon the merit irrespective of their socio economic status. Deserving and needy students are provided with best possible support in the form of free books from college library, payment of their fee by teachers, or funding received from alumni association to support such students from time to time. The mission of alumni association is to inform, engage and inspire alumni to stay connected to their alma-mates, support college to achieve its vision and contribute to its success.
