#### 1. Description

Today's world is competitive world. To make the students aware about competitions, the college has a Career Counselling and Guidance Cell which guides the students about carrier and job opportunities available to them and gives them handy tips to prepare for interviews and other competitive exams. To make them aware, the cell organizes extension lectures and visits in the District Bureau of Employment and Enterprises, Sri Muktsar Sahib. Slow learners are motivated by their subject teachers and tutors. This encourages development of entrepreneurial skills among the students by creating awareness among them through career guidance and counselling cell of the institution. Various lectures and workshops have been organized for career guidance.
