It has well defined purpose, Vision, Mission and Values. The stated purpose of the college is the production of intellectual capital in terms of transfer of knowledge, skills, strategies and technology from laboratory to real life.

### **Objectives:**

The main objective for the establishment of the college is to empower the educationally backward and disadvantaged population of the area by imparting liberal general education with a special stress on the values of humanism, secularism and nationalism. It strives for spreading the light of knowledge, preparing the youth for the global job market by imparting the necessary skills and virtues, guiding them to be better human beings by imparting moral values through various activities, providing equal opportunities to all irrespective of caste, color or creed. The main objective of the college is to uplift the downtrodden, empowering women, inculcating the spirit of nationalism and universal brotherhood, promoting and achieving excellence in education through quality and inculcating this spirit among youth by providing conducive environment for creative and cultural activities.

The Mission of the college is in accordance with the needs of the society and the students. It seeks to serve the social sector as it is located on the NH-9 at the tri-juncture of Punjab, Haryana and Rajasthan which is culturally rich but the geographical location has impeded intellectual growth in the area. Most of the students seeking education from the college are from rural areas. So the Vision and Mission statements are in keeping with intellectual potential and needs of this region and are made known to various stakeholders as they are printed on college prospectus, mentioned on college website and college walls.

### **Role of the teachers in decision making**

Teachers play an important role in implementing the vision and mission of the college and to that end play a proactive part in the decision-making process. Heads of Departments enjoy considerable administrative and academic autonomy in running their disciplinary units.
