CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The college at the very outset to develops and deploys action plans for the effective implementation for the curriculum. Each department of the institution plans and divides the syllabus term wise as per the directions of Panjab University Chandigarh every year, which is printed and made available to the students and teachers. During the session, different departments hold the

meetings and review the planning and change the same if needed. This also helps to keep uniform pace wherever the class is divided into more than one section. It is coordinated at the departmental level under the guidance of the heads of their sportive department/subjects. Mid-term corrections are made, if needed. Teachers are encouraged beforehand to impart the curriculum through innovative teaching methods such as presentations, assignments, discussions, workshops, seminars, computer education apart from regular/traditional teaching methods. Thereafter, the staff members of various teaching departments conduct their internal meetings and develop academic plans for the coming academic year. Keeping in view, the number of working days available, the syllabus is divided into units which are to be finished by a given deadline. Each department of the college plans its annual academic schedule which clearly mentions the topics to be taught and number of working days allocated to respective topics, the amount of syllabus to be tested in various classes monthly, terminal or half yearly exams. The institution has taken up the following initiatives curriculum delivery and transaction: • Advanced learners are encouraged by giving prizes and scholarships. They are provided extra study material and assigned challenging tasks. • Efforts are made to keep the faculty updated by exhorting them to attend seminars/conferences/workshop/orientation courses/refresher courses etc. • The faculty is motivated to adopt computer aided teaching methods and learner centred teaching. Training sessions are also organized to facilitate teachers to adopt such methods. • Library and other learning resources are regularly updated. Library has been computerized and internet facility, for the use of teachers and students, has been provided. Thousands books are available in N-LIST. • The college invites experts in different departments to deliver extension lectures for the benefit of both the faculty and the students. • Extra classes are arranged for weaker and needy students wherever necessary. • Staff meetings are held to sensitize the teachers towards their responsibilities, adopt innovative teaching methods and orient the newly appointed teachers, especially at the commencement of each session.

Feedback Obtained
The college is affiliated to Panjab University, Chandigarh which restrains the colleges to develop the curriculum of their own. However university has a system in place to get recommendations from its affiliated colleges through Board of Studies. Our college obtains the Feed-back on curriculum from faculty members, students, alumni and parents in this regard which enable to suggest any change in its design of curriculum. Thereafter the college can only forward these suggestions to the university through members of Board of Studies. For

effective implementation of curriculum • The college has designed a feedback system: The feedback form has been created, and is circulated among the students for their honest inputs. • The feedback is collected from the teachers as well at the end of the session, and they are encouraged to make honest analysis if the stated objectives of the curriculum are achieved. • And finally, a separate kind of feedback form has been created to collect the views of the parent/guardians, when they are invited to attend the Parent-Teacher meetings. After making an overall analysis of the feedback so gathered, a general meeting of the Staff is held to devise such mechanism as may help a more effective implementation of the curriculum.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The college unit of NSS is active for the constraining of plastic pollution. They regularly organize drives to prevent the use of plastic in the college campus. With the help of students the NSS unit organizes camps not only in college but also in the surrounding areas. It also organizes lectures, and awareness rallies for making the students aware how the plastic usage endangers the environment. The college administration also contributes by restricting the sale of plastic bottles and other stuff, in various camps and rallies the students pledged themselves to minimize the use of plastic and to help in the prevention of its use by others as well. These drives have met with great success as the college campus is heading towards a more greener and plastic free zone. Similarly the practice of plantation of tree has also achieved huge success, one of the evidence being supply of plants by the Forest Department since 2012. Waste baskets and trash bins have been placed at every nook and corner of the college for maintaining hygienic conditions. Swimming pool is

also regularly cleaned to maintain a healthy environment. The college intends the installation of a solar power system of 30 KW capacities to tap this renewable source of energy and to reduce the carbon footprints. The College through its NSS NCC units plant a large number of trees on the campus as well as at the adopted sites during regular camps and the local people are motivated to take care of these plants and protect them. This also helps to create a sense of belongingness among the younger generation and their concerns for a clean environment. Tree plantation is a regular feature of the college to maintain the eco-system. They have planted a variety of trees in the college, which have contributed to the beauty and greenery of the campus besides effecting carbon neutrality in the campus fulfilling the motto "one person one tree"- if this mission and message can get through, India can regain its lost grandeur in Nature's grand show. Plantation of trees is one of the most altruistic of actions. One generation plants them and the second or third reaps its fruits so the planting of trees is a divinely altruistic gesture.

8.Future Plans of Actions for Next Academic Year

The Anti drug campaigns will be organized with the help of NSS Unit, NCC Unit, Red Ribbon Club and Legal Literacy Club. The members of Legal Literacy club will run anti-drug drives periodically. In a fast changing world accelerated by new advances in electronic technology only a dynamic exuberant generation can put India on a strong footings so our motto is 'Save Youth from Drugs, Save India'. Extension activities will be organized by NCC and NSS wings of our college in this regard in near future.
