PROCEDURE AND POLICIES 2022-23

***Computers and Computer Labs**- To provide the latest IT facility to the students to upgrade themselves, the college has established two computer laboratories with the latest technology along with Wi-Fi facilities in the campus and college also maintain and upgrade these facilities regularly and non-repairable systems are disposed off from time to time.

***Library**- Our college library is enriched with around 20599 books including traditional and modern books, text books, reference books, encyclopedia, national and international journals of different subjects, magazines, newspapers and e-resources etc. The requirement and list of books is taken from the concerned departments.

***Sports**: Regarding the maintenance of these facilities, the college always provides the sufficient financial assistance with the recommendation of the Sports committee to maintain and upgrade the indoor and outdoor activities like Badminton/ Volleyball court / Table Tennis Courts /Gym etc. for the betterment of the students.

***Classrooms**-The college managing committee provides the best infrastructure in the classrooms to create the heathy environment in teaching learning process. The college has sufficient classrooms as per the courses provided in the college campus. The managing committee and the principal, with the consultation of the IQAC and different committees, facilitate the maintenance and upkeep of infrastructure.
